## Apologize chords pdf full book

The track was produced by Timbaland whose production was heavily praised for its interesting use of beatboxing, orchestral elements, and dense arrangement of vocal layers. Selling over 6 million copies in the US alone and even won a Grammy Award for best pop performance. For those younger readers, you'll probably also know this for its prevalent use in the popular videogame franchise Fallout, where it was used for much of the promotional material for 'Fallout 76'. With that minor to minor chord change always providing that strong emotional resonance. You'll also need a capo on the second fret of the guitar if you want to jam along with the original. Complicated by Avril Lavigne How to Play Complicated by Avril Lavigne on Guitar Click Here for tab for Complicated by Avril Lavigne An intrinsic part of every millennial's teenage years, this was one of a series of extremely successful singles from Avril's debut album 'Let Go'. Get Lucky by Daft Punk Daft Punk feat. But don't worry if you're not familiar with the chords, now is a great time to learn them, or if you can't be bothered they can actually just be substituted with their standard major/minor equivalents and will still work great in the song! The chords are G, D7, C, A7. This is the third single from their 1997 album 'You're self or Someone Like You'. Most of the movement and groove comes from the strumming pattern. I Won't Back Down by Tom Petty Tom Petty - Won't Back Down Guitar Lesson Tutorial - 4 chord guitar songs Click Here for tab for I Won't Back Down by Tom Petty While the song was both written and produced by Tom Petty and Jeff Lynne, George Harrison of The Beatles actually played acoustic guitar and sang on the track. We'll need a capo on the first fret of the guitar and will be playing the chords F, Am, Dm and finally a C. Save Tonight by Eagle Eye Cherry Save Tonight - Easy Guitar Chords! | Eagle Eye Cherry Click Here for tab for Save Tonight by Eagle Eye Cherry Something a little more upbeat and funky next with this fantastically groovy song from Swedish rock/alt-rock musician Eagle Eye Cherry. But there are also a lot of little cool melodic inflections between the chords you can include if you want something a little more interesting. Strumming wise we're in 3/4 counting as ONE two three ONE two three which you can strum with downstrokes exclusively. Using a Bm7, D, F sharp m7, E, Hey Ya by Outkast Hey Ya Easy Guitar Lesson | Outkast Click Here for tab for Hey Ya by Outkast A pretty straight forward and catchy song that was both written and produced by Outkast member Andre 3000. So this is about as simple as songs get, of course, there are only 4 chords involved which are A, G, F, and C, don't worry about major or minor tonalities as you'll just be playing them as bar chords! Just hit it once and let it sustain for the whole bar, then hit the next one! Knockin' On Heaven's Door by Bob Dylan Knocking On Heaven's Door - EASY 4 Chord Guitar Lesson (Bob Dylan) Click Here for tab for Knockin' On Heaven's Door by Bob Dylan This track wasn't actually written as a solo song per se, it was actually part of the original soundtrack to the movie 'Pat Garrett and Billy the Kid'. But most of the time you'll be playing the 3 chord sequence A, D, E, D. Like everything Ed does it was massively successful, becoming the number 1 Christmas song in the UK for 2017. Tom recollects that he was sick at the time, and George went out to buy him ginger root and made him breathe in the steam before doing his vocal takes to help clear his sinuses. No capo is required for this song and we'll just be playing the easy chords A, F sharp minor, E, and D. Then in that position, we'll be using a G major chord progression which is C, D, Em, and C. This is luckily one of his simpler ones, acting as something of a ballad about marriage, written specifically about his at the time wide-to-be, Cheery Seaborn. This is a single from her second album 'Breakaway'. The F sharp minor chord is supposed to be played as a barre chord on the second fret, but it's a pain for you feel free to use the 'cheat' version. We'll also need a capo on the third fret of the guitar to bring it up to key. 3AM by Matchbox Twenty Matchbox Twenty 3AM Guitar Lesson +Tutorial Click Here for tab for 3AM by Matchbox Twenty A moving alternative rock track that layers acoustic guitar chords with distorted electric melodies, all serving as a base for Rob's powerful vocal performance. Which was, of course, a huge hit and was covered by a huge number of notable artists including Eric Clapton and Guns N' Roses. Each of those chords will be played for 2 cycles of the strumming pattern which is D-D-DUDU. Another cool thing that happens is right before the turnaround they use the leading tone to create some tension. During this time tensions in the band were high, and his mother visited him in the dream to tell him 'it will be alright, just let it be', and thus the song was conceptualized. Although the acoustic guitars are pretty quiet in the mix here, they essentially follow the same chords as the ukulele/keys do. It hit the no 7 spot on the Billboard Hot 100. However, we encourage you to follow the piano with the guitar as that's where you find the magic of the 4 chord progression. The chord progression for the song is Em, C, G, and D. There's a reason why something like the I-V-vi-IV progression has been used for hundreds of years and has served thousands of chart-topping hits because it's just that effective! So today, we've gathered up a list of 35 fantastic songs that all make use of the 4 chord progression so you can learn them yourself and get familiar with all the most common progressions. Free Fallin' by Tom Petty Tom Petty - Free Fallin' - Easy Guitar Songs Lesson Click Here for tab for Free Fallin' by Tom Petty While Tom Petty has certainly had no shortage of incredible, chart-topping hits. Today we're focussing on the original. The song starts off just using 2 chords at first, with just 1 bar of Em, then 1 bar of A, which then repeats. Take Me Home Country Roads by John Denver 'Take Me Home, Country Roads' Guitar Lesson Click Here for tab for Take Me Home Country Roads by John Denver Inspired during a long trip down the country roads to a family gathering, Cm Ab Eb Bb that it's too late to apologize, it's too late Cm Ab Eb Bb I said it's too late to apologize, it's too late Verse 2: Cm Ab I'd take another chance, take a fall Eb Bb Take a shot for you Cm Ab And I need you like a heart needs a beat Eb Bb But it's nothing new - yeah Cm I love you with a fire Ab Eb and I was turning blue Bb and you say Cm Sorry like the angel Ab Eb Heaven let me think was you Bb But I'm afraid While there are lots of songs out there that only use a two or three-chord progression to great effect. Apologize by One Republic Apologize Guitar Cover Acoustic - OneRepublic [Tabs + Chords] Click Here for tab for Apologize by One Republic So this was a huge number released by both Timbaland (one of the songs producers and musicians) and with One Republic. It has a really nice upbeat one that layers in some ukulele to give it that extra layer of happiness. We'll be using the progression G, Em7, Cadd9, and D while keeping that capo on the first fret. The chord progression is mostly carried by the piano here, with the electric guitar providing a more single-note melody, atmospheric kind of role, but these are played a little further up the neck in the same way you'd approach playing power chords. Taken from the album 'After Hours', the single was unbelievably successful, reaching a staggering 2.72 billion in online streams, and in 2020 was the single most streamed song in the world. Radioactive by Imagine Dragons Radioactive Guitar Tutorial - Imagine Dragons Guitar Lesson [Easy Chords + Guitar Cover] Click Here for tab for Radioactive by Imagine Dragons Imagine Dragons was another band that received a tremendous amount of attention right from their debut. We'll need a capo on the first fret of the guitar to play along with the original song, and the chords used are E, Asus2, A, and Bsus4. Rihanna Eminem - Love The Way You Lie ft. Most of the musical interest in the song comes from the strumming patterns, of which there are a few. The main difference between them being that the guitar solo after the section verse has been removed, and there are lots of new backing vocals and percussion samples added. The four chords we'll be using in this song are G, Em, C, and D. It's ranked as the tenth best-selling digital song of all time garnering a whopping 12 million downloads. Which is once again C, G, Am, and F. The track is from his debut album 'Desireless' and immediately garnered him huge success with various radio stations giving a substantial amount of airtime to the track thanks to its infectiously catchy vocal melodies. The official music video reached 148 million views on youtube. The song received two Grammy Award nominations and spawned a number of popular remixes from popular artists including Kendrick Lamar. Which is interesting seeing as members of the band were reluctant to even use it as a single, as they felt it was one of the weaker songs. So the main motif of the song uses 3 chords, and then there's an extra G thrown in every so often. However, when Maroon 5 singer Adam Levine heard the track he wanted to have it be on Maroon 5's next album. And there's also a good number of percussive string hits throughout the song which complements the rhythm wonderfully. When it comes to strumming you have to arpeggiate them, which means to play 1 note at a time. Rihanna - Easy Acoustic Guitar Song Lesson - how to play Click Here for tab for Love the Way You Lie by Eminem ft. Free Fallin' is by far one of his most famous tracks. Fortunately, these are all super easy to hold onto just needing some very small finger changes to get to the next chord. The track uses an interesting blend of strumming and single-note arpeggios. It was hugely successful, topping the charts the world over, was certified 3x platinum with 3 million copies sold, and the track was even covered by the fantastic Bonnie Tyler. Hey Soul Sister by Train Hey Soul Sister Guitar Tutorial - Train Guitar Lesson [Easy Chords + Guitar Cover] Click Here for tab for Soul Sister by Train Starting things off with this incredibly catchy feel-good song from the American rock band Train. Listeners were instantly captivated by singer Alex Band's rich and powerful sounding voice. Originally Mike Posner declined, but after some drama with his record label he was no longer able to release his second album, so he just gave the song to Maroon 5 instead, stating 'otherwise it was just going to sit on my laptop'. He has mentioned that this song took him three days to write which was unusually long for him as he felt it was too important to get wrong. Stand By Me by Ben E King Stand By Me Guitar Lesson Ben E King Easy Beginners Guitar Tutorial Click Here for tab for Stand By Me by Ben E King Although this song has been covered by a lot of notable artists, from Florence + the Machine to Prince Royce. Funny thing is, Kelly actually didn't want this song on the album because she felt Ryan Tedder (the song's composer) had taken the arrangement from Beyonce's Halo and was worried she would be accused of plagiarism. Drama aside, at least the song is nice and easy to play! The 4 chords we need are A, E, F sharp minor, D. The chords used are G, C, D, and Em. In The End by Linkin Park Linkin Park In The End Guitar Lesson + Tutorial Click Here for tab for In The End by Linkin Park Every single song on Hybrid Theory is lead-single worthy, but somehow In The End ended up standing out above the rest as an absolutely monumental track that became a bit of a phenomenon. Already Gone by Kelly Clarkson Kelly Clarkson - Already Gone - How To Play - Acoustic Guitar Lesson - Easy Click Here for tab for Already Gone by Kelly Clarkson Kelly really delivered a powerful vocal performance with this song, layer it up with dense orchestration, percussion, piano, and electric guitar and you have an incredibly strong song with a ton of fun to play to. You'll need a capo on the 3rd fret if you want to play along with the original track. No Woman No Cry by Bob Marley NO WOMAN NO CRY Guitar Lesson Tutorial (Bob Marley) 4 Chord Guitar Song for Beginners Click Here for tab for No Woman No Cry by Bob Marley Contrary to popular belief, the song doesn't mean that not having a woman means you'll never have to cry, it's actually a Jamaican style of phrasing meant to mean 'Don't woman, don't cry'. Once the song kicks in properly we will be playing Em, C, D, A. there is a video lesson for this song Verse 1: Cm I'm holding on your rope, Ab Eb Bb Got me ten feet off the ground Cm Ab Eb Bb I'm hearing what you say but I just can't make a sound Cm You tell me that you need me Ab Eb Bb Then you go and cut me down, but wait Cm You tell me that you're sorry Ab Eb Bb Didn't think I'd turn around, and say... Well, this is definitely one such song, a really catchy acoustic number from their fifth album Nimrod. The strumming pattern is simply D-DU-UDU. The song pushed nearly a billion digital sales and has an official music video with nearly 800 million views. There's something a little bit special about the 4 chord progression. Shivers by Ed Sheeran Shivers Guitar Tutorial Ed Sheeran Guitar Lesson [No Capo + Easy Chords] Click Here for tab for Shivers by Ed Sheeran Another 4 chord wonder from Ed, this was written at the end of his popular 'Divide tour' when he rented a farmhouse in which he built a make-shift studio to write new material. The chords used in the song are G, C, D, and E. Using the same 4 chord progression all the way through the song, we'll be using Am, Fm7, C and G. Unfortunately, Atlantic records never gave it a physical release in the US, so it was not eligible to chart. We're in the key of C and the four chords are C, G, Am, and F. The guitar parts on this song are predominantly ambient/single note melodies drenched in wet effects such as delay and reverb. You can use the strumming pattern D-D-UDU once for each chord. However when thinking about the track many people will immediately think of the Gary Jules version as it took a more emotive approach to the song, and presented it in a way that really pulls at the heartstrings. It ends up giving a kind of obligation for the band to play it live and adopt that sound. However, the record failed to achieve a good amount of commercial success. Strumming wise this is as easy as it gets, you just need to maintain a simple DUDUDUDU pattern for the entire song. First is the more pop/arena rock version, but then they recorded an acoustic ballad version of the track as part of their 2003 album 'This Left Feels Right'. It was able to hold its place in the Billboard Hot 100 for 23 weeks, the second-longest charting single in the chart's history! It's a nice, simple and catchy song that can be played with good old I, V, vi, IV progression in C, giving us the chords C, G, Am, and F. We just need 4 simple chords to play this song which are G, D, Am, and C along with the super simple strumming pattern of D-D-DU which each chord receiving one cycle of the strumming pattern. But two years later in 1965, the Beatles recorded theirs as a special exclusive track for the United Kingdom release of 'Help'. This song uses a few slightly less common chord voicings by adding in the 7th interval. The way you can use voice leading with it to keep your progression catchy but also still make ground over the scale and keep things interesting. This version in particular became extra well known because of its use in the popular 2011 movie Donnie Darko. Still technically the same chord from a theory perspective but it ends up 'feeling' a little different. Radioactive was placed on their first EP titled 'Continued Silence', then due to its massive success it was subsequently re-released as part of their full length album 'Night Visions'. Because of this, we're focussing on the One Republic version which has a nice mixture of chordal elements and some ambient lead lines you can emulate on the guitar. With or Without You by U2 U2 With Or Without You - Four Chord Easy Beginner Guitar Song Click Here for tab for With or Without You by U2 A classic U2 song that contains all the elements of what you'd want to see from them. Essentially the same as every other I V vi IV progression just in the key of D this time. The way we play this on guitar is essentially using 'funky barre chords'. They're no strangers to guitars either, and this song is a great example of how well their music translates to the instrument. This song gets a lot of its power emotiveness from the good old minor to minor chord trick, so we'll be using the chords Dm, Am, C, and finally a G5 which you can think of as just using your regular G shape but just ignore that second string (which is your major third) muted, simple! Cruise by Florida Georgia Line Cruise - Florida Georgia Line - Guitar Lesson | Tutorial Click Here for tab for Cruise by Florida Georgia Line Part of the newer generation or country that uses more modern mixing techniques, vocal production, and elements of electronics to take all those fundamentals of what makes country music good and deliver them in a refined and up-to-date package. It's been certified platinum with over a million copies sold. Guitar wise there is a prominent acoustic backing behind the tracks which can be played using the chords Em, Cadd9, G, and finally D. Each chord is played for 1 bar each. This uses a chord progression that by now you're probably started to get familiar with, starting with an F chord which you can play using the open position, or if you want a fuller sound you can play the full barre chord on the first fret. Rihanna has also mentioned that to her, the song also represents the abusive relationship she had with the music industry as a whole. It's the band's debut single taken from their 2001 album 'Camino Palmero'. Between its emotive chord progression and catchy vocal melodies, this is a song that would stick in people's heads for a long time. Guitar wise, assuming you're playing along to the acoustic part, we just have a nice and simple 4 chord progression that lines the song for the other instruments to do more interesting things over. Mad World by Gary Jules Mad World Easy Guitar Lesson | Gary Jules Click Here for tab for Mad World by Gary Jules Originally written by the legendary British synth/new wave band Tears for Fears. Those are the open shapes you use but there's also a capo needed on the third fret of the guitar to bring it in key. It wasn't until over 25 years later after it was featured as part of a Levi's jeans commercial that it would really blow up. It's estimated to have made nearly \$23 million in royalties alone. The song details singer Rob's childhood living with a mother who was battling cancer. By Black Eyed Peas Easily the most successful Black Eyed Peas song to date, and it was sorely needed as the previous releases lacked commercial success. It received predominantly positive feedback from critics, and it hit the number two spot on the Billboard Hot 100 racking up over 1.1 million in sales in the US. So in 1966 their manager at the time, Larry Page presented the song to the Troggs saying it sounded 'weird and unusual' and pushed them to record their own version. Behind These Hazel Eyes by Kelly Clarkson Behind These Hazel Eyes (Kelly Clarkson) Guitar Lesson Chord Chart - Capo 2nd Click Here for tab for Behind These Hazel Eyes by Kelly Clarkson When you think of mid 2000's pop-rock, this is exactly what you should be thinking of. If you are playing this on an acoustic you're probably better off playing the chords in their traditional open shapes. No capo is required this time, you can just play traditional open chords using the progression G, C, D, and E giving a very major tonality. Feel free to pick the appropriate one depending on whether you're an acoustic or electric guy as they use the same progressions! Chord wise we'll just be using 4 chords which are Am, C, G and there's also a D used in a few key parts throughout the song. Pharrell Williams Get Lucky Guitar Lesson + Tutorial Click Here for tab for Get Lucky by Daft Punk While we primarily know Daft Punk for their analog synths, retro aesthetic, and pioneering use of the vocoder. Although it was written by Bob himself it was actually performed by the whole group, Bob Marley and the Wailers, and was released as part of their album 'Natty Dread'. Fundamentally we are just using the four chords Bm, G, D, and A. Sugar by Maroon 5 Sugar by Maroon 5 | Easy Guitar Lesson Click Here for tab for Sugar by Maroon 5 This track was originally written by American singer, songwriter, and producer Mike Posner and was intended to be included on his next solo album that was to follow up his 2010 release, 31 Minutes to Takeoff. Blinding lights by The Weeknd THE WEEKND "BLINDING LIGHTS" acoustic guitar tutorial - EASY CHORDS Click Here for tab for Blinding lights by The Weeknd With the rise of analog-esque 80's sounding synths and the blend of genres like Synthwave and Darksynth. The stage was primed and ready to receive the Weeknd's catchy pop effort with open arms. The 4 chords we need for this song are G, Am, F, and C/G. So while the song does outline 4 chords which are Em, B7, C, and Am6, you can even fret them in their regular open positions. But do note that the F sharp minor needs to be held as a barre chord on that second fret which can be a little bit of a challenge for beginners, try your best to ensure every string rings out clearly here! Where Is The Love? Check the provided video lesson for details and it's a large part of what gives this song its vibe on guitar. This makes the tab look very busy and confusing, but in fact, it's just a single rhythm that repeats so once you learn that with the provided video lesson you can simply apply it to all 4 chords and you're good to go! Have You Ever Seen The Rain by Creedence Clearwater Revival 'HAVE YOU EVER SEEN THE RAIN?' Acoustic Guitar Tutorial // CCR John Fogerty Click Here for tab for Have You Ever Seen The Rain by Creedence Clearwater Revival A fantastic song written by American singer/songwriter legend John Fogarty. The song was an unexpected commercial success, not necessarily ticking all the boxes of a traditional pop song but between its great groove and catchy vocal melodies, it was able to reach the number 1 spot in the US and many other countries. The chords for this song can be played between a mixture of 2 and 3 note power chords where you'll also hold the next octave of the root. Good Riddance (Time of Your Life) by Green Day Good Riddance (Time of Your Life) Guitar Lesson | Green Day Click Here for tab for Good Riddance (Time of Your Life) by Green Day It's somewhat of a curse when a heavier (in the punk/rock sense of the word) band decides to create a sing-along acoustic tune and it ends up becoming one of their most successful songs. It obviously worked as the song charted highly the world over, hitting the number 1 spot in both the UK and Ireland. Wild Thing by The Troggs Wild Thing Easy Guitar Chords | The Troggs Click Here for tab for Wild Thing by The Troggs So this was originally recorded by an American band called 'the Wild One's'. We'll be playing the progression, with a capo on the 3rd fret, G, D, Em, and C and you just play each chord for 1 bar or 1 repetition of the strumming pattern. It was even nominated for two Grammy Awards in the Best Song and Best Female Pop Performance categories. If you feel like playing any of them as straight power chords it's going to work great! It's My Life by Bon Jovi Bon Jovi It's My Life Guitar Lesson + Tutorial Click Here for tab for It's My Life by Bon Jovi This track has two versions you can pick from. It's the lead single from their album 'Save Me, San Francisco' and was, of course, hugely successful. But if you are playing this on acoustic you can also play them as open chords to get a little bit of a thicker and fuller sound. You'll also need a capo on the fourth fret to play it in key with the original. In the original song, it opens with some heavy power chords before moving into some nice clean single-note melodies for the verse. You'll need a capo on the first fret (although they play it without one live, 1 note flat) and the chords used are C, Cadd9, D, and finally Em. Act Naturally by The Beatles Act Naturally by The Beatles and Buck Owens - Guitar Lesson Click Here for tab for Act Naturally by the Beatles As somewhat of a departure from their normal style, the Beatles decided to cover this song which was originally written by Johnny Russell, and was recorded and released by 'Buck Owens and the Buckaroos'. It has a great accompanying music video that depicts Kelly as a bride while her would-be fiancé is having an affair, the video's sitting at over 70 million views on YouTube. But interestingly it was already written and ready to be recorded for Kookie, but it was deemed too 'different' so they held off until later. Now assuming you're not here to play the slide guitar parts, we can just cover the strummed acoustic chords. Recorded and released by the roots/country rock group Creedence Clearwater Revival as part of their album 'Pendulum. Perfect by Ed Sheeran Perfect Guitar Tutorial - Ed Sheeran Guitar Lesson | Solo + Fingerpicking + Chords + Guitar Cover! Click Here for tab for Perfect by Ed Sheeran Ed Sheeran will be known for blending complicated and involved fingerpicking parts with incredibly catchy and accessible chord progressions and vocal hooks. By Black Eyed Peas How to Play "Where Is The Love" by the Black Eyed Peas on Guitar Click Here for tab for Where Is The Love? But it was still released as a single after the movie was out. From the extra versatility offered in terms of moving through the chords and supporting a wide array of different melodies. To fit with Jason's higher vocal tonality and key range we need to use a capo on the fourth fret of the guitar. You don't need to get particularly fancy with the strumming pattern, just feel the groove and play whatever you feel is appropriate for the tempo and vibe. Originally released in 1961 from his 'Don't Play That Song!' album. Although the guitars take more of a single-note melody approach to the song, there is nothing stopping you from jamming the chords along with the bassline here! Ignoring the Edge's more lead orientated melodies, from a chordal perspective we'll just be using the same 4 chords throughout the song which are D, A, Bm, and G. Love the Way You Lie by Eminem ft. Released as a promotional single from the album 'Poems, Prayers & Promises'. This is then followed by C, Dm, and finally a Bb. Wherever You Will Go by The Calling Wherever You Will Go Guitar Tutorial The Calling Guitar Lesson [Tabs + Easy Chords + Guitar Cover] Click Here for tab for Wherever You Will Go by The Calling If you ever frequented music television channels such as MTV2 or Kerrang back in the day, you will have no doubt heard this track a few dozen times already. This is the first single from their album 'Here's to the Good Times' which was released in 2012 to great critical acclaim. You can do this by essentially strumming slowly down and letting the pick hit 1 string at a time. Bono's soul-stirring and powerful vocal performance combined with the Edge's multi-layered and effect-laden guitar work. Although the song did do incredibly well, spawning over 400 cover versions. Because of its rock nature, it's not completely necessary to play these using the traditional chord shapes we might use on the acoustic where the major/minor third and a bunch of open strings are included. But for the sake of outlining the chord progression, we recommend you just follow the chords of the song which are Am, C, G, and D. The chords we will be outlining are Am, F, C, and G. But between Chester's signature gritty clean vocals and some classic nu-metal guitar work, it won everyone over. Songwriter Paul McCartney said he was inspired to write the song after experiencing a dream about his mother. Rihanna Superstars of pop and of rap both collide in this moving song, which tackles the theme of domestic violence and abusive relationships. Let It Be by The Beatles Let It Be by the Beatles Guitar Lesson and Tutorial Click Here for tab for Let It Be by The Beatles A classic, catchy hit from the legendary British band The Beatles. Cry Me A River by Justin Timberlake How to Play "Cry Me A River" by Justin Timberlake on Guitar Click Here for tab for Cry Me A River by Justin Timberlake After Justin's time in the boy band, NSYNC had come to an end and he started to pursue his own career, it became pretty clear he was going to be every bit as successful as a solo musician. The main thing to focus on is getting that strumming pattern right and making sure you pick hard to get that nice and aggressive sound. The song's massive success even afforded him the opportunity to perform it alongside Guns N' Roses singer Axl Rose during the halftime show at the 2008 Super Bowl. The easiest way to think of them is in terms of strumming pattern repetitions (which is D-XD-DU) where you'll play the G twice, Em twice, then the C and D once each, followed by the G twice more at the end, and repeat. Released in 2009 as the third promotional single for her album 'All I Ever Wanted'. Heavy electric guitars, catchy clean vocal hooks with a classic over-baked production (in a good way). Inspired by the events of 9/11, will.i.am started to create the song with singer Justin Timberlake assisting in writing the chorus. If you're not familiar with chord inversions it essentially means we're taking a note that would usually come after the root, or our lowest note of the chord and moving it beneath that root. It's a really good example of how careful melodic note choice over so many major chords can still present a very heavy and sad vibe. This does require a bit of skill to do, so if you're a beginner do check the provided video lesson as it also details a simplified version too! I'm Yours by Jason Mraz I'm Yours Guitar Tutorial (Jason Mraz) Easy Chords Guitar Lesson Click Here for tab for I'm Yours by Jason Mraz Between the huge amount of popularity this song garnered, coupled with its wholesome lyrical message and catchy melodies, this was a huge gateway for many to begin playing the guitar. Leaving much doubt as to whether they would be able to continue. But we won't be playing these in a linear fashion. So fundamentally this song uses a nice and simple 4 chord progression, you can choose to stick to that if you just need a nice and simple song to play. Needless to say with such popular artists involved it was massively successful, and the official music video is sitting at over 2.3 billion views on YouTube. Released in 2013 from the 'Random Access Memories' album, it features heavy funk, disco, and pop influences that all combine to great effect. The chord voicings are a little bit interesting for this one.
